Hello lovely Kindergarten Families,

What a great week we are having! The learners have been getting to know their new teachers and have been getting used to the new routines- we are so proud of them already! 😊

Thank you for your support while we have been establishing our new routines. We wanted to share our morning and end of day routines with you all, to ensure smooth transitions for all learners.

Please see below:

Morning Routine

- When you arrive at school, learners are encouraged to have a play on the playground.
- At 9am, the birds will chirp and learners will move to the Kindergarten area. At this time, learners will put their lunchboxes and water bottles in their class buckets (these are labelled). Please support us in encouraging your child to do this by themselves to foster independence.
- Learners will say goodbye to their grown-ups and will then enter the Kindergarten learning spaces, where they will have some play-based activities to settle them into their school day.

Afternoon Routine

In Kindergarten, we have a one-to one handover system in place. Our main priority is the learners' safety, as this can be a very busy time of the day.

- Teachers will bring their classes out, and they will sit/stand in a group together.
- Learners will raise their hands to tell their teacher which grown up they can see.
- Teachers will dismiss learners one at a time (usually we will wave to ensure that we have seen you).

If you notice that your child has run to you without telling us, please just ensure that you let us know, so we know that everyone is accounted for.

Thank you in advance for your support with this, it is very much appreciated.

Kind regards,

Karice, Anna, Molly, Bea and Tina
