Dear Parent/Guardian

ACT schools will participate in NAPLAN Online testing from 10-20 May 2022.

ACT schools undertaking NAPLAN Online this year will participate in a practice/familiarisation test between 21 March and 22 April 2022. The practice test does not assess student performance and has been developed to replace one of the familiarisation activities that schools have traditionally undertaken.

As a parent, you can become familiar with NAPLAN Online tests by visiting the public demonstration site, <http://bit.ly/naplanonline>. The purpose of the site is to familiarise students with the type of items they will see on NAPLAN Online and related functionalities. This level of familiarisation is worthwhile to help students understand and be comfortable with the format of the test.

NAPLAN Online allows for tailored testing. This means that students are presented with sets of questions based on their performance during the test. This model provides students with the opportunity to better demonstrate their range of literacy and numeracy skills and it is more engaging for students. Further information explaining tailored testing can be found at <https://bit.ly/2PgG7rL>.

If you have any questions or wish to discuss your child's participation in this event, please contact Evelyn Scott School's NAPLAN coordinator, Ross Dennis via email: ross.dennis@ed.act.edu.au or call 6142 3491.

Further information on NAPLAN Online, including the public demonstration site, is available at www.nap.edu.au/online-assessment/naplan-online.
