My Country, Your Country - National Arboretum

DESCRIPTION:

In connection with our *On country* global concept, all learners in Year 1/2 will have the opportunity to engage with the *My Country, Your Country* cultural immersion experience at the National Arboretum. We will join the National Arboretum's Indigenous guide for a walk and yarn in the Bush Tucker Garden where we will be introduced to the many uses of plants and trees. This is a fun, interactive workshop where children learn through stories, get hands on with ceremonial artefacts, and can participate in traditional ochre use. We will hear about the bond and relationship between people, nature, weather and respect. This walk brings the landscape to life and allows learners to understand why caring for Country is vital and plays a continual and significant role in culture today.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
