## **Stories of Australian Art** NATIONAL GALLERY OF AUSTRALIA

### **DESCRIPTION:**

For the provocation for our next Global Concept 'Identity', Senior Campus learners will attend the National Gallery of Australia for the following guided education session:

**Stories of Australian Art:** How do artists help us understand what it means to be Australian? Discuss a range of works by artists in the National Gallery collection, whose perspectives help us think about the diverse stories that shape our identities. This program draws together works of art of various mediums to consider ideas including First Nations histories and cultures, colonisation and its impact, migration of people to Australia and Australia's interconnections with Asia.

There are two sessions booked for Senior Campus learners:

### **Code of Conduct and Parental Agreements:**

*Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent. Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.*

Kind regards,

Erin Clarke
