

Denman Prospect Community Garden Excursion

DESCRIPTION:

As part of our Environmental Stewardship enquiry unit, we will be taking our Kindergarten learners to Denman Prospect Community Garden. This will link with our learning about how to take care of the animals that live in our local community, specifically the important role that bees play in our ecosystem. We will be planting some bee-friendly plants in the community garden for both the humans and bees in our community to enjoy. There will be two sessions and we will take two of the kindergarten classes on Thursday (KK and KH) and the other class (KT) on Friday.

Code of Conduct and Parental Agreements:

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
