*Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent. Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.*
