Evelyn Scott School Voluntary Contributions

Dear Evelyn Scott School Families,

The ACT Government provides schools with funding for the acquisition of resources for use during the school year on an annual basis. However, schools benefit from additional resources to ensure that our teachers and students have everything they need for enriched learning outcomes. We therefore encourage parents to support the learning programs at Evelyn Scott School for the 2025 school year by sending in a family contribution. Every dollar received is used to provide additional resources and your contributions are a very important component of our annual funds.

Family contributions go towards the purchase of items such as:

- Literacy resources and materials, learning technologies and maths materials
- Subsidising valuable learning experiences such as school incursions
- Further playground improvements, such as more shaded areas and garden learning spaces
- Purchasing of updated digital equipment, ensuring that we can provide every learner with access to digital resources
- Expanding our Arts resources with materials and equipment that allows our learners to have the ability to learn whilst exploring their creativity
- Purchasing additional furniture and upgrading of equipment as needed.

Voluntary Contributions greatly assist Evelyn Scott School to provide a full and rich learning experience for all Preschool to Year 10 learners.

The School Board conducts a review of suggested voluntary contribution amounts each year. The Evelyn Scott School Board has agreed on the amounts listed below as suggested contributions for individual learners and for families with 2 or more children enrolled. We encourage parents and carers to make their contributions now so that your child(ren) receive maximum benefit from the contributions you have made.

The suggested contribution for a full year is:

- **\$150 for one learner**
- **\$250 for families with 2 or more learners**

If you are unable to contribute the amount suggested, **any donation would be appreciated**. You may also choose to pay more than the suggested amount, or to pay by instalments.

Yours Sincerely,

Jackie Vaughan - Principal
