

CLASSROOM NEWSLETTER

Term 3, Week 3, 2025

We are learning

Literacy

The learners are continuing on their structured phonics progression. We are looking at the writing process including the five phases of planning drafting, revising, editing and publishing a text. This will support our learners in fostering independence in their learning

Numeracy

Learners in Year 2 are revising and extending their multiplication while also beginning to understand the concept of division. The focus is on learners modelling their learning by showing how they worked out their problems in their maths books.

Reminders

Please remind your learner to return any borrowed library books on Fridays.

Return any readers your learner may have so we can replace them.

Upcoming Events

- Thursday, 5th August - Athletics Carnival
- Thursday Library - 2E
- Friday Library - 2M, 2K, 2D and 2S

What's next
